

# EpiClean

## pH-Neutral Detergent for Processing Stonefruit, Citrus and Vegetables

### **BENEFITS**

- Concentrated cleaner
- Gentle on tender and / or early season fruit

### **PRINCIPAL USE**

EpiClean is a pH-neutral detergent for cleaning stonefruit, citrus, and vegetables. It can be used as a wetting agent in sprays, drenches, and dips. EpiClean is safe for delicate stonefruit varieties and early season citrus.

### **COMPOSITION**

EpiClean is made with detergents and surfactants that conform with FDA regulations, 21 CFR, Subpart D, Section 173.315 for washing fruits and vegetables.

### **DIRECTIONS**

As a cleaner, spray or foam on fruit at the rate of one part EpiClean to 24 parts water. Rinse thoroughly. As a wetting agent in fruit process waters, mix one part EpiClean to 150-200 parts water.

See product label for specific use direction, dilutions, and rates of application.
