

Natural Shine™ 320-OR

Premium High-Gloss Organic Fruit Coating

BENEFITS

- 100% Organic-WSDA approved under USDA Regulations
- No foaming on packingline
- Resistant to whitening/chalking
- Controls moistures loss
- Brilliant shine even after sweating
- Dries quickly / non-tacky film
- Safe clean up, won't clog applicator nozzles
- Biodegradable, fruit friendly, neutral pH product

PRINCIPAL USE

Natural Shine 320-OR is a high gloss fruit coating that is specially formulated for organic operations and is recommended for use in domestic and export markets.

COMPOSITION

Natural Shine 320-OR is composed of sodium hydroxide and other ingredients that conform with FDA regulations, 21 CFR, Part 172, for food use coatings and with USDA's National Organic Program Rules.

DIRECTIONS

Apply Natural Shine 320-OR full strength over brushes to clean, dry fruit using overhead spray or drip systems.

See product label for specific use direction, dilutions, and rates of application.
