

Field Clean

All Purpose Alkaline Fruit Cleaner for Superior Coating Preparation

BENEFITS

- A low-foaming, alkaline cleaner that is gentle on fruit surfaces and non-abrasive
- Readily removes soil, debris, and natural wax from fruit and leaves it clean, smooth, and ready for coating
- Easy and economical to use
- One 55 gallon drum will clean up to 50,000 boxes of fruit

PRINCIPAL USE

Field Clean removes natural fruit wax from apples, pears, citrus, pomegranates, and other fruits.

COMPOSITION

Field Clean is made with potassium hydroxide and surfactants that conform with FDA regulations, 21 CFR, Subpart D, Section 173.315, for washing fruits and vegetables.

DIRECTIONS

Spray on fruit surfaces with an overhead spray bar. Thoroughly rinse Field Clean treated fruit with potable water before applying any coatings.

See product label for specific use direction, dilutions, and rates of application.
