

PrimaFresh® Golden

No Gloss Formula Coating for Golden Delicious Apples

BENEFITS

- No gloss formulation reduces the appearance of bruising and imperfections on fruit surface
- Extends shelf life by reducing shriveling during cold storage and marketing
- Keeps fruit firmer longer, increasing saleability
- Aids in fungicide application by promoting an even application

PRINCIPAL USE

PrimaFresh® Golden is a no-gloss, protective coating for postharvest use on Golden Delicious apples.

COMPOSITION

PrimaFresh® Golden is composed of ingredients that conform with FDA regulations, 21 CFR, Part 172, for food coatings.

DIRECTIONS

Use at full strength. For best results apply directly to clean, dry fruit. Rinse coating application systems daily with potable water.

See product label for specific use direction, dilutions, and rates of application.

Pace International
Brings Innovative Solutions and Technologies to
Increase Efficiencies in Application Processes
with Unsurpassed Service Quality

The Leading Postharvest Specialist

Innovative Technologies
