

Nature's Shield® 220-ACL

Acidic Cleaner for Organically Grown Fruit

BENEFITS

- Removes mineral deposits from overhead washers / sprayers
- Improves hypochlorite effectiveness
- Improves wetting and spreading of hypochlorite solutions

PRINCIPAL USE

Nature's Shield® 220-ACL is an acidic detergent for cleaning mineral deposits from organically grown fruit, or for use as a wetting agent in the chlorinating section of the wash process.

COMPOSITION

Nature's Shield® 220-ACL contains water, citric acid and other ingredients that conform with FDA regulations, 21 CFR, Subpart D, Section 173.315 for washing fruits and vegetables.

DIRECTIONS

Dilute Nature's Shield® 220-ACL 1:10 with water before use on fruit. Rinse fruit thoroughly with potable water after cleaning.

See product label for specific use directions, dilutions, and rates of application.
