

# PrimaFresh® 50-V

## Vegetable Oil Coating for Stonefruit and Vegetables

### BENEFITS

- Reduces fruit shrinkage due to moisture loss during cold storage and distribution
- Provides shine to peaches, plums, nectarines and vegetables through the packing line
- A stable food-grade vegetable oil emulsion, especially formulated for stonefruit and vegetables
- Economical to use; 1 gallon per 20,000 to 25,000 lbs of fruit

### PRINCIPAL USE

PrimaFresh® 50-V is a coating for fruits and vegetables. It is free of mineral hydrocarbons and suitable for fruit exported to the United Kingdom.

### COMPOSITION

PrimaFresh® 50-V is a food-grade vegetable oil ingredient that conforms with FDA regulations, 21 CFR, Part 172, for food coatings.

### DIRECTIONS

Apply full strength or diluted up to 1 part in 4 parts water to clean, dry fruit.

See product label for specific use directions, dilutions, and rates of application.
