

Shield-Brite® AP-40

P O S T H A R V E S T

Premier Shellac Coating for Apples

For Agricultural Use Only

This product conforms with FDA regulations, 21 CFR, Part 172, for food coatings.

PRINCIPAL INGREDIENTS: Isopropyl alcohol and proprietary food grade ingredients.

DIRECTIONS FOR USE

1. Apply at full strength to clean dry apples.
2. Optimum results may be achieved by application at a rate of 1 gallon (3.8 liters) of product per 9000 - 11,000 pounds (4100 - 5000 kg) of fruit.
3. Adjust application rate to achieve uniform and complete coverage of fruit with coating, based on application equipment and fruit condition.
4. Dry fruit thoroughly before packing.
5. Completely flush application system with fresh, warm water at the end of each day's operation.
6. White spots may develop in this coating from condensation when apples are removed from cold storage.
7. It is recommended to use the entire contents of an opened container within 2 weeks.

NOTICE: Food & Drug Administration Act 403(i)(2) requires that fresh produce coated with this product be labeled "Coated with food grade vegetable and/or shellac based resin or wax" on bulk and individual retail/consumer packages.

HANDLING: Causes skin irritation and serious eye irritation. Wear safety glasses, impermeable clothing, and chemical resistant gloves when handling. Do not get in eyes or on skin. Wash hands thoroughly after handling. May cause dizziness, drowsiness or respiratory irritation. Avoid breathing mist/vapor/ or spray and only use outdoors or in a well-ventilated area.

STORAGE AND DISPOSAL: Keep container upright to prevent leakage. Store in a well ventilated area. Keep container cool. Improper disposal or reuse of this container may be dangerous and illegal. Refer to applicable federal, state, and local regulations. Since empty containers contain product residue, follow label warnings even after container is emptied. Keep container closed and upright to prevent leakage and contamination. Store container in a dry and cool area.

WARNING: FLAMMABLE LIQUID AND VAPOR

KEEP AWAY FROM HOT SURFACES, HEAT, SPARKS, OR OPEN FLAME. NO SMOKING. Ground/bond container and receiving equipment. Use explosion proof electrical/ventilating/lighting/and process equipment. Use non-sparking tools and take precautions against static discharge. Keep container tightly closed.

IN CASE OF FIRE USE FOAM, DRY CHEMICAL, OR CARBON DIOXIDE TO EXTINGUISH.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF ON SKIN (OR HAIR): Wash with plenty of soap and water. Immediately remove any contaminated clothing. If skin irritation or rash occurs: Get medical advice/attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF SWALLOWED: Rinse mouth. Do not induce vomiting. Call a POISON CENTER or doctor immediately

if you feel unwell. Wash contaminated clothing before reuse.

IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened product container immediately for a complete refund.

LIMITED WARRANTY, TERMS OF SALE AND LIMITATION OF LIABILITY

Upon purchase or use of this product, purchaser and user agree to the following terms:

Warranty: Pace International, LLC (the Company) warrants that this product conforms to the chemical description on the label in all material respects and is reasonably fit for the purpose referred to in the directions for use, subject to the exceptions noted below, which are beyond the Company's control. The Company makes no other representation or warranty, express or implied, concerning the product, including no implied warranty of merchantability or fitness for a particular purpose; no such warranty shall be implied by law, and no agent or representative is authorized to make any such warranty on the Company's behalf.

Terms of Sale: The Company's directions for use of this product should be followed carefully. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, and the manner of use or application (including failure to adhere to label directions), all of which are beyond the Company's control. All such risks are assumed by the user. Sale of this product is governed by the internal laws of the state of Washington; any action with respect to this product shall be brought exclusively in the state or federal courts located at Seattle, Washington U.S.A. **Limitation of Liability:** The exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and in no event shall damages or any other recovery of any kind exceed the price of the product which caused the alleged loss, damage, injury or other claim. Under no circumstances shall the Company be liable for any special, indirect, incidental or consequential damages of any kind, including loss of profits or income, and any such claims are hereby waived.

The Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
