

Nature's Shield™ 330-ALK

P O S T H A R V E S T

Alkaline Cleaner for Organically Grown Fruit

INGREDIENTS: Sodium carbonate and proprietary food grade ingredients approved by USDA's National Organic Program for use on organic crops.

DIRECTIONS FOR USE

Dilute Nature's Shield 330-ALK 1:10 with water before cleaning fruit. Rinse fruit thoroughly with potable water after cleaning. Consult your Pace Technical Representative for more use suggestions.

HANDLING

Causes mild skin irritation and eye irritation. Wear safety glasses, impermeable clothing, and chemical resistant gloves when handling. Do not get in eyes or on skin. Wash hands thoroughly after handling.

IN CASE OF SPILL OR LEAK

Dike spill to prevent material from spreading and pump into a salvage container. If pumping is not available, absorb spill with inert material (e.g. dry sand or earth), then place in a chemical waste container for later disposal. Dispose of according to local, state and federal regulations.

STORAGE AND DISPOSAL

Store in a well-ventilated place. Keep container closed tightly. Keep closure up to prevent leakage. Do not drop container onto or slide across sharp objects. Never use pressure to empty; container is not a pressure vessel. Replace closure after each withdrawal. Thoroughly drain container and tighten closure before returning. Remove closure carefully to relieve possible internal pressure while wearing appropriate protective equipment. Improper disposal or reuse of this container may be dangerous and illegal. Refer to applicable federal, state and local regulations. Since emptied containers contain product residue, follow label warnings even after container is emptied.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF ON SKIN (ORHAIR): Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF SWALLOWED: Rinse mouth. Do not induce vomiting. Call a POISON CENTER or doctor if you feel unwell. Wash contaminated clothing before reuse.
