

Opti-CAL®

P O S T H A R V E S T

12.1% Water-Soluble Calcium

INGREDIENTS: Calcium chloride and proprietary food grade ingredients.

GENERAL RECOMMENDATIONS

Opti-CAL® is designed to be applied as a post-harvest drench to apples and cherries.

HANDLING: Causes mild skin irritation and eye irritation. Wear safety glasses, protective clothing, and chemical resistant gloves when handling. Do not get in eyes or on skin. Wash hands thoroughly after handling. Harmful if swallowed. Do not smoke, drink, or eat when using this product.

FIRST AID: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF ON SKIN (OR HAIR): Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF SWALLOWED: Rinse mouth. Do not induce vomiting. Call a POISON CENTER or doctor if you feel unwell. Wash contaminated clothing before reuse.

SHAKE CONTAINER BEFORE USE. DO NOT STORE AT TEMPERATURES BELOW 40°F

RECOMMENDATIONS FOR USE

TANK MIXES: Do not mix with pesticides or other fertilizers without compatibility test. To test for physical compatibility, mix the proper proportions of product with water and other ingredients, agitate and let stand for one hour. If a precipitate forms, apply the products separately.

MIXING: Fill drench tank with approximately half of needed water volume. Slowly add required amount of this product. Agitate continuously while adding remaining water and maintain agitation until application is completed.

POST-HARVEST DRENCH, APPLES, CHERRIES - Apply this product only to high quality fruit with intact skins. Application of this product to fruit of low quality may result in damage by calcium chloride. **Use rate:** Up to 2100 ppm calcium (up to 1 part Opti-CAL per 74 parts water) in a drench solution. Treat fruit immediately after harvest with drench solutions at the same temperature as the fruit to be treated. Use 500 gallons (1893 liters) of drench solution to treat up to 100 tons (90,700 kg) of fruit. Drench fruit for 30 to 60 seconds, then allow solution to drain from fruit.

Do not use bin liners.

Do not combine ethoxyquin with Opti-CAL as fruit damage may occur.

Do not mix Opti-CAL with other products unless safety and compatibility have been established.

STORAGE AND DISPOSAL

Keep in a cool, dry place out of reach of children and livestock. Protect from frost. Toxic to aquatic life: Keep container upright to prevent leakage and avoid release into the environment. Improper disposal or reuse of this container may be dangerous and illegal. Since empty containers contain product residue refer to applicable federal, state, and local regulations for disposal. Keep product in

original container.

IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened product container immediately for a complete refund.

LIMITED WARRANTY, TERMS OF SALE, AND LIMITATION OF LIABILITY

Upon purchase or use of this product, purchases and user agree to the following terms.

Warranty: Pace International LLC (the Company) warrants that this product conforms to the chemical description of the label in all material respects and is reasonably fit for the purpose referred to in the directions for use, subject to the exceptions noted below, which are beyond the Company's control. The Company makes no other representation or warranty, express or implied, concerning the product, including no implied warranty of merchantability or fitness for a particular purpose: no such warranty shall be implied by law, and no agent or representative is authorized to make any such warranty on the Company's behalf.

Terms of Sale: The Company's directions for use of this product shall be followed carefully. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, and the manner of use or application (including failure to adhere to label directions), all of which are beyond the Company's control. All such risks are assumed by the user. Sale of this product is governed by the internal laws of the state of Washington; any action with respect to this product shall be brought exclusively in the state or federal courts located at Seattle, Washington U.S.A.

Limitation of Liability: The exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and in no event shall damages or any other recovery of any kind exceed the price of the product which caused the alleged loss, damage, injury or other claim. Under no circumstances shall Company be liable for any special, indirect, incidental or consequential damages of any kind, including loss of profits or income, and any such claims are hereby waived.

The Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
