

Tri-Circ

P O S T H A R V E S T

Mineral Deposit Remover

For Agricultural Use Only

Tri-Circ contains a blend of mineral and organic acids and a surfactant. Tri-Circ is recommended for use on fruit that has been stained by hard water filming from overhead sprinkling systems or other systems that cause "orchard bloom". Tri-Circ is particularly effective at obtaining the lower end of the pH range.

PRINCIPAL INGREDIENTS: Hydrochloric acid, phosphoric acid, sulfuric acid, citric acid and proprietary ingredients.

DANGER

KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENTS

CORROSIVE: May be corrosive to metals. Harmful if swallowed, contact with skin or inhaled. Causes severe skin burns and eye damage. Causes serious eye damage. Suspected of causing cancer. May cause damage to esophagus or gastrointestinal tract upon ingestion. Very toxic to aquatic life.

PRECAUTIONARY STATEMENTS

Keep only in original container.
Do not breathe mist, spray, or vapors.
Do not eat, drink and smoke in the work areas.
Wash hands thoroughly after handling.
Wear impermeable clothing, safety goggles or face shield and chemical resistant gloves.
Contaminated work clothing should not be allowed out of the workplace.
Use only outdoors or in a well-ventilated area.
Absorb spillage to prevent material damage.

FIRST AID STATEMENTS

IF SWALLOWED: Rinse mouth. Do not induce vomiting. Get medical advice/attention if you feel unwell.
IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with soap and water, shower. Wash contaminated clothing before reuse. If skin irritation or rash occurs: Get medical advice/attention. Specific treatments see Section 4 of SDS.
IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor for medical advice. Specific treatments see Section 4 of SDS.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor for medical advice/attention.

DIRECTIONS FOR USE

Do not handle before all safety precautions have been read and understood. Obtain special instructions before use.

Tri-Circ should be used at a rate of 3 - 4 gallons per 1000 gallons of solution to be treated. Maintain a pH of 2.0 to 4.0 in the tank at all times. Acid feed should be automated to insure pH is within the proper ranges at all times. ALWAYS maintain tank at ambient temperatures and at a pH between 2.0 and 4.0 to yield optimum cleaning without burning of fruit.

STORAGE AND DISPOSAL

STORAGE: Do not store below 45°F (7°C). Keep in original container. Very toxic to aquatic life. Keep container upright to prevent leakage and to avoid release into the environment. Product may be corrosive to metals: store product in corrosive resistant container with a resistant inner lining and absorb any spillage to prevent material damage. Since empty containers contain product residue improper disposal or reuse of this container may be dangerous and illegal: Store in a locked location.

PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed on site or in accordance with local/regional/national/ or international regulations.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. Decontaminated and punctured containers may also be disposed of in a sanitary land fill.

NOTICE TO BUYER

IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened product container immediately for a complete refund.

LIMITED WARRANTY, TERMS OF SALE, AND LIMITATION OF LIABILITY

Upon purchase or use of this product, purchaser and user agree to the following terms:

Warranty: Pace International, LLC (the Company) warrants that this product conforms to the chemical description on the label in all material respects. To the extent consistent with applicable law, except as expressly stated in the foregoing sentence, the Company makes no further warranties and expressly disclaims any implied warranties of merchantability or fitness for a particular purpose and any representation or warranty.

Terms of Sale: The Company's directions for use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, and the manner of use or application (including failure to adhere to label directions), all of which are beyond the Company's control. To the extent consistent with applicable law, all such risks are assumed by the user.

Limitation of Liability: To the extent consistent with applicable law, the exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and in no event shall damages or any other recovery of any kind exceed the price of the product which caused the alleged loss, damage, injury or other claim. To the extent consistent with the applicable law, under no circumstances shall the Company be liable for any special, indirect, incidental or consequential damages of any kind, including loss of profits or income. To the extent consistent with applicable law, the Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
