

Natural Shine® 320-OR

POSTHARVEST

Coating for Organically Grown Fruit

For Agricultural Use Only

This product conforms with FDA regulations, 21 CFR, Part 172, for food coatings and with USDA's National Organic Program Rule.

PRINCIPAL INGREDIENTS: Ethanol, glycerine, sodium hydroxide and proprietary food grade ingredients.

WARNING KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENTS

Flammable liquid and vapor. Causes skin irritation. Causes serious eye irritation.

PRECAUTIONARY STATEMENTS

Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/Bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wash hands thoroughly after handling. Wear protective clothing, safety glasses and chemical resistant gloves.

FIRST AID STATEMENTS

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. In case of fire: Use dry chemical, CO2 to extinguish. Specific Treatment: see Section 4 First Aid Measures of SDS. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical advice/attention.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell.

IF SWALLOWED: Rinse mouth. Do not induce vomiting.

DIRECTIONS FOR USE

1. Apply Natural Shine® 320-OR full strength over brushes to clean, dry fruit.
2. Use 1 gallon (3.8 liters) Natural Shine® 320-OR per 8,000 - 12,000 lbs (3600 - 5400 kg) of fruit.
3. Apply using overhead spray or drip system over brushes having at least 50% horsehair to help spread the wax. Brush speed should not exceed 100 rpm.
4. White spots may develop in this coating from condensation when fruit is removed from cold storage.

NOTICE: Food & Drug Administration Act 403(i)(2) requires that fresh produce coated with this product be labeled "Coated with food grade vegetable and/or

shellac based resin or wax" on bulk and individual retail/consumer packages.

STORAGE AND DISPOSAL

STORAGE: Store in a well-ventilated place. Keep container tightly closed. Keep cool. Keep in original container. Keep container upright to prevent leakage. This product contains no preservatives, so use entire contents within 30 days of opening container. Do not contaminate water, food or feed by storage or disposal. Absorb spillage to prevent material damage.

PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed on site or in accordance with local/regional/national/ or international regulations.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. Decontaminated and punctured containers may also be disposed of in a sanitary land fill.

NOTICE TO BUYER

IMPORTANT: Read the information below before using this product. If the terms are not acceptable, you should return the unopened product container immediately for a complete refund.

LIMITED WARRANTY, TERMS OF SALE, AND LIMITATION OF LIABILITY

Upon purchase or use of this product, purchaser and user agree to the following terms:

Warranty: Pace International, LLC (the Company) warrants that this product conforms to the chemical description on the label in all material respects. To the extent consistent with applicable law, except as expressly stated in the foregoing sentence, the Company makes no further warranties and expressly disclaims any implied warranties of merchantability or fitness for a particular purpose and any representation or warranty.

Terms of Sale: The Company's directions for use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, and the manner of use or application (including failure to adhere to label directions), all of which are beyond the Company's control. To the extent consistent with applicable law, all such risks are assumed by the user.

Limitation of Liability: To the extent consistent with applicable law, the exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, and in no event shall damages or any other recovery of any kind exceed the price of the product which caused the alleged loss, damage, injury or other claim. To the extent consistent with the applicable law, under no circumstances shall the Company be liable for any special, indirect, incidental or consequential damages of any kind, including loss of profits or income. To the extent consistent with applicable law, the Company and the seller offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
