Statement of Safety and Efficacy:

These products are safe and efficacious when used in accordance with label directions and good manufacturing practices. These products do not contain microcrystalline wax, paraffin wax, SOPP, fungicides or quaternary ammonium compounds. These products do not contain ingredients derived from soy, gluteins, dairy or any other known food allergens. To the best of the company's knowledge, these products are not made with Genetically Modified Organisms (GMOs) nor do they contain any ingredients produced with GMOs.

Statement of Compliance:

Biox-COMBO is registered as a pesticide with the U.S. Environmental Protection Agency. All other Biox products are classified as minimum-risk pesticides containing naturally-derived active ingredients that qualify for exemption from U.S. registration and which are exempt from tolerance on all agricultural commodities. All products comply with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) as well as all applicable rules set forth in 40 CFR. In addition, Biox-15EC Line Spray and Biox-C comply with standards developed and enforced under the USDA National Organic Program and are suitable for use on organic crops.

Limits of Use and Special Directions:

It is a violation of Federal law to use these products in a manner inconsistent with their labeling. Refer to directions on product label for more information.

Sincerely,
